WORK FOR THE BEST INTEREST OF ANADARKO AND UPBUILDING OF OUR CITY.

CADDO COUNTY

Organized Into Eleven Townships

Each One Has Four Congressional Townships

Some Township Named After the Martyred McKinley

The County Board of Commissioners have divided Caddo county into eleven townships named as follows:

Caddo	Shirley
Bridgeport	Boone
Beaver	Abaline
Fern	Chandler
Washington	Cobb
McKinley	

Beaver was so named after the old home of our popular County Clerk, Dyke Hallinger. Fern was named in honor of Judge John Wimberly's daughter Fern. Cobb was named after the post that is located in that township. Berry Randolph had the honor of naming this township. He very appropriately selected the name of McKinley.

Some one suggested the name of Roosevelt but Randolph objected to naming anything after a living man. There are four congressional townships. Now we are all on the road to prosperity with a thoroughly organized city and county and a set of officials at the head of each government who are progressive, honest citizen whose chief aim is the betterment of Anadarko and Caddo county.

No Military Force Can be Organized in the Indian Territory.

Washington, Oct. 25.—An application to organize a military force in the Indian Territory was stoutly refused today by Judge Advocate of the war department. The grounds for refusal were that there is no law allowing the importation of arms here and that the government under present conditions could not sanction military organization here.

ADMIRAL SCHLEY.

They're fighting the battle all over again:

The big guns are booming once more:

And Sampson today fingers far, far away While Schley bears the brunt as before.

On the old fighter's track the entire snarling pack Have followed with hue and with cry,

'Till now, when he faces them all they sink back From the sight of brave Admiral Schley.

When heroes were needed he stood on bridge And met the proud navy of Spain.

He followed it on 'till the battle was won And his vessels went down in the main.

When heroes are honored he's slighted and spurned, While others are praised to the sky,

He yet is deprived of the glory he earned, Our gallant old Admiral Schley.

But though he's insulted by puppets in power, The people are slow to forget They only await a more fortunate hour

To crown him in victory yet. His fame is secure. When the scroll is unrolled His name will be written on high

'Mid those of our gallant sea-fighters of old. Made brighter by Admiral Schley.

The man who is right can afford to repose In the homage and love of the just:

To reckon that Time is his friend, and his foe At last will go down in the dust.

The victim of hate with assurance can wait For wrong and detraction to die.

The world holds a crown of esteem and renown. For the brow of brave Admiral Schley.

BURNED AT THE STAKE

Another Negro Burned For Assaulting a White Woman

Columbia, Miss., Oct. 25.—A negro named Bill Morris, who assaulted Mrs. John Ball at Balltown La., was burned at the stake today. After being captured he made an effort to implicate others, but they soon proved their innocence. He was taken to the scene of his crime, tied to a pine sapling with chains and his feet and hands chained to his body. Pine knots and pine straws were piled about the body and saturated with coal oil and the whole set afire. The negro made no outcry when the flames first reached him and not until he was half consumed was there any movement on his part.

Mrs. Ball, while waiting on the negro in her husband's store, turned her back, when the negro seized her and dragged her into the road. He beat his victim on the head with a pine knot and thought he had killed her. Going back to the cash drawer he took all the money there was in it and put coal oil on his feet and on his tracks when leaving. Mrs. Ball recovered consciousness and crawled to her father-in-law's. He at once gave the alarm and the neighborhood commenced the search for the negro. He was found at his home, about four miles from the scene of the tragedy. He tried to escape.

ANADARKO

THE BEST, THE ONLY TOWN

For the Land Office-- From a Point of Justice Toward Those Having Interests in New Country

We Ask All to Join us in This Matter

We are the most successful city in the new country. We have for our citizens a class of people that are a credit to any city. We have for our business men, a set of men that are enterprising, energetic, and made up of men of the cream of the older states. Compare the record Anadarko has made with that of El Reno, Lawton and other new towns and see if we have not the best class of citizens to be had.

El Reno has had her share of the benefits of this opening and we think it only justice that the land office should be transferred to this place. When a man wanting to go to the land office on any transaction of his affairs he has to go clear to the north east corner of the territory to transact his business.

Now, was the land office situated at Anadarko they could complete their business and save almost a day's travel in so doing. We want the land office. We do not blame the Americans for standing up for El Reno. So far as childhood is concerned she is in her infancy. The writer of this article is not Mr. Shaw, so do not blame him for the error. He, (the writer,) I believe is as old a printer, (employing printer at least,) as Mr. White but succumbs to old age, as the old proverb is a true one, "Twice a child but once a man." He recognizes the fact that Mr. White is on the decline, while he has still a hope of better things.

But what we want is the land office. We do not ask a thing that cannot be accomplished. We ask that Dennis Flynn co-operate with the people of Caddo county in securing this office, not merely a co-operation, but if he expects anything at the hands of the democrats in the coming battles, of Caddo County he will do well to consider their proposition. We are now better prepared to give the people accommodations than El Reno, because of our facilities. We are the most centrally located making access to the new country better than at El Reno.

We are not of a selfish nature, or do we think we are demanding anything that is exorbitant, but for the good of the people that are coming into our midst and for the good of Lawton, Hobart, Mangum and Granite, we ask them to join with us in getting the land office.

2nd DAY

We Shall Keep Our Word

And Run the Vile Houses of Ill Famed Out of Anadarko

Let All Good Citizens Assist Us

Our article in yesterday's paper relative to the shameful and open manner in which houses of prostitution are conducted in Anadarko has attracted the attention and excited the interest and aid of some of the best citizens in Anadarko. On every hand the people say, "Keep up the fight; we are with you."

These dens of sin and iniquity must go. Citizens, we call on you to express yourselves in this paper as against this traffic in human flesh. Your daughters are in constant danger of insult, for such creatures do not know the meaning of the word courtesy. Mothers, do you want your sons reared in a city subject to the temptations that gaudily dressed women are ever placing in their path?

Nightly the Midway opens its doors to the youth of this city and invites them to sell their eternal souls to the devil. From its windows floats the giddy sensuous music of the dance hall. The clink of the glasses tells its own tale. It is a daily insult flaunted in our face and we have supinely submitted, but now it is time to rise in the night of outraged citizenship and compel their instant removal from the limits of Anadarko.

Let the proper officials act at once and save the necessity of a petition for their arrest. On Monday we will again attack this hydra headed monster and although it places us in constant danger of attack from cowards who would not hesitate to shoot us in the back, yet we are pledged and will keep our word. The Midway must go.

Another Respected Citizen Gone

The Pawnee Mercantile company was chartered to do a general wholesale mercantile business at Pawnee. Capital stock \$10,000. The incorporators are W. J. Moore, R. W. Johnson, Edward Colvin and Dona Morlock, all of Pawnee.

Mr. Wheelock of the Wheelock Hardware Co. of Anadarko, died at Marion, Kan., yesterday of typhoid fever. He was taken there about a week ago.

The two-year-old daughter of Deputy Recorder Al Kountz died this morning. She had been ill for over two weeks. We extend our deepest sympathy to the bereaved parents.
